

Domaine des Remizieres Cornas 2021

Region

The Northern Rhone region follows the Rhône River as it flows south of Lyon. Best known and suited for the Syrah variety shown in the great red wines of Crozes Hermitage and St Joseph, whilst the often perfumed and powerful white wines are made from the fragrant Viognier of Condrieu and the complex Marsanne and Roussanne blends created in the rare whites of Hermitage, Crozes and St Joseph.

Producer

Originally the Desmeure family were typical Rhône Valley fruit growers, their granite rich farmland planted to orchards. Just 4ha of vines were cultivated at Domaine des Remizieres and the harvest sold to the famous Cave Coop in Tain. In 1977 the decision was taken by the Philippe Desmeure to produce and bottle everything themselves. Now under third generation oenologist Emilie and viticulturist Christophe, sister and brother, the domaine has grown to encompass 36ha of vineyard including prime sites of Crozes Hermitage, Hermitage, Cornas and Saint Joseph farmed using organic practices. The Domaine was awarded with a High Environmental Value Certification (HVE) which recognises the work they do to respect the environment and biodiversity in the vineyard.

Tasting Notes

This Cornas is made from 40 years old syrah vines grown on granite soils. Full bodied with notes of red fruits, mulberry, truffle, mushrooms and cloves. There is an elegance to the wine with a distinctive mineral character, fine grained tannins and a very long finish.

Food

Serve with game such as quail, guinea fowl or partridge.
