

Can Valles Xaxaxa Organic White 2022

Region

Penedes is the coastal Catalan region in north eastern Spain around the vibrant city of Barcelona. The region is dominated by the Pyrenees to the north, which forms a narrow coastal strip. The mild climate is influenced by the cooling Mediterranean, with a more continental and hotter climate further inland, where the vineyards are affected by the altitude, which afford cooler climatic influences. The region is most famed for producing Cava sparkling wine, meaning `cellar` in Catalan.

Producer

Can Valles has a long history dating back to 1486

Tasting Notes

This easy drinking white is made of a blend of Xarel-lo (pronounced chare-lo) and Chardonnay combining fresh bright fruit and texture. It shows pleasant notes of fresh citrus, pear and apple on the nose, and on the palate gives silky velvety texture to complement the lively acidity and fresh flavours. This wine certainly doesn't tire as its sensational moreish character means you can enjoy alone or with food.

Food

This wine is perfect to drink alone as an aperitive or with light dishes such as seafood or an asian dish.
